(looking forward)
(I never waited enough)
(and now it's gone)

(there, everywhere)
(they all trusted)
(there's only one)

(you bastards.....)

where is he?
who is he anyway?

Maybe you think I like
objects, because I use em
but I dont, I carry with
stair for tree, from the
day I was born, objects,
things plastic
handmade plastic

bip, bip, bip

-hi, just met him, want me
call him back?

-i know i shouldn't ''''

-no, that's not the
right answer..
-therefore, let's apply

the electric shock

smoke&tea in the balcony
paste the whispering willow
some dogs barkin' in the palms
it's that elephant again

§-----§

what an improbable destiny
the clouds blurred away
the boiler mumbles

the passenger pigeons
long time ago
ran away

not anymore

poor little madam butterfly
now you feel lost
we're also-the forgotten
now all this empty cans begin
to fill the void

please stop messin' around

- oh my god!

- I'm doing it again!

- remember to water the
plants

- these nightmares again...

wouldn't it be such a
terrible thing..
but just forget all
about that obnoxious
creature

-hey, don't panic. you just
had a little agonic feeling
about the immensity and the
nonsense of this careless
mundanity. you'd better blow
them up.

the day that light was
cut we were at five degrees
Silvia had a terrible headache
after sleeping 3 months long.

Electricity was over
and more over was the internet
when the light came back
it was 4 degrees.
Silvia made herself a tea

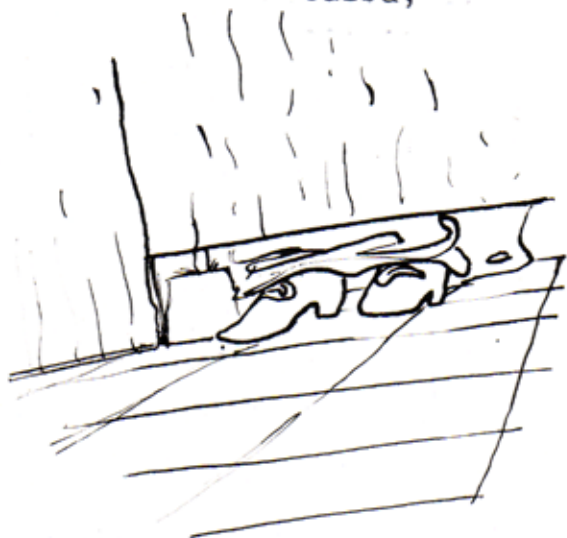

-tell me its not true that
youve made paella, you know
i hate it, specially when
comes with fish,,

-
-I dont recognice you.
youre so changed from the
last time we went to Valencia.
-i'm sorry.!

tell storys. they will
not believe you ever.....

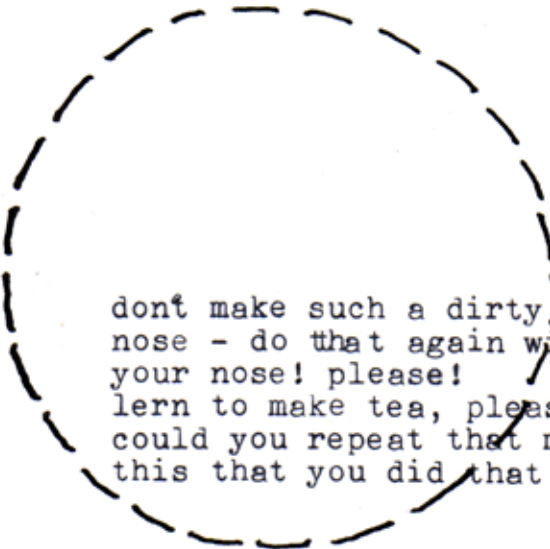

UGH CH!!

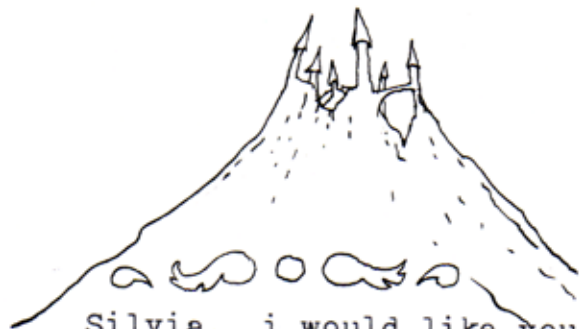

TIME S WHEN A BODYGUARD
IS NEEDED!

dont make such a dirty tea
nose - do that again with
your nose! please!
lern to make tea, please!
could you repeat that move
this that you did that this

Silvia, i would like you
to be here now,, to tell me
if im doing well lookin
for power in old castle
